

We Care Together!

Sint Maarten Medical Center (SMMC) is an ambitious and growing hospital organization on Sint Maarten. With more than 300 employees, 22 specialists and a capacity of 66 beds. We continuously strive to ensure safe, quality health care. Our primary service area, St. Maarten, Statia and Saba, represents a total population of approximately 60.000 people, constituting a multi-cultural mix with more than 100 different nationalities. In addition we offer health care services to the visiting tourists, which include annually more than 2 million cruise ship tourists.

SMMC is on the verge of realizing a new hospital building, to expand its services in order to accommodate the increased care demand of the people of St. Maarten, its visitors and neighboring islands. The new hospital is planned to be operational in 2020.

St. Maarten Medical Center

Currently we have a vacancy for:

NEUROLOGIST (TEMPORARY/PERMANENT)

What we offer:

We offer you a full-time position in an open and professional organization. You will work in a dynamic team of specialists. In our growing organization you will be offered many opportunities for growth and development.

Also, we are looking for Neurologists who are interested to work a shorter period of time (minimum of 3 weeks), preferably with a perspective for recurrence on a regular basis.

Your Profile:

At the St. Maarten Medical Center, you will be a full-time, all-round Neurologist for a very diverse population. We are looking for a Neurologist with a broad interest in all aspects of their specialization and who is willing to work in a small team to perform their duties in the broadest sense possible. Providing quality care is of utmost importance as well as maintaining the continuity of care for our patients. You are enthusiastic and willing to actively contribute to the daily operations and the (intended) developments for the future of our organization.

Additional Requirements:

- ◆ Registered as a Neurologist;
- ◆ Patient-Centered;
- ◆ Ambitious and willing to ensure continuity and quality care;
- ◆ High level of flexibility;
- ◆ Great interpersonal and communication skills;
- ◆ Comfortable dealing with many responsibilities;
- ◆ Positive attitude;
- ◆ A high level of integrity and reliability;

Interested?
